

BLÅ STATION

UK PRICE LIST 2018

CONDITIONS OF SALE

PRICES

This price list supersedes all previous price lists. All prices are in EURO (€) excluding statutory value-added tax and any import duties.

TERMS OF PAYMENT

30 days net or as per written agreement. Invoices not settled by the due date will be subject to interest charged at 12%. Goods sold will remain the seller's property until paid for in full.

DELIVERY

Ex-works Åhus, Sweden, including export packaging.

COMPLAINTS

Any complaints must be made known to Blå Station within 7 days of receipt of the goods. Goods that have been delivered may not be returned without prior approval from Blå Station.

TRANSPORT DAMAGE

All goods are transported at the purchaser's risk. Transport insurance will be arranged upon written request, at which time the insurance premium will be invoiced to the purchaser. If goods are shipped using Blå Station's freight contract, the customer must verify upon reception that the shipment is correct as regards the number of packages and their condition. If the packaging is damaged or if a package is missing, this must be stated on the consignment note and Blå Station must be informed of the same in writing within 5 days. Failure to do this gives Blå Station the right to debit any extra costs that may be incurred in resolving this matter. Retailers and distributors are responsible for informing end customers of this obligation.

WARRANTY PERIOD

Blå Station guarantees materials and constructions for 3 years from the date of delivery. This guarantee does not extend to furniture upholstery or to damage or to what may be regarded as normal wear and tear. Blå Station provides a one-year warranty for customized products.

DISPATCH

4–8 weeks unless otherwise agreed.

CHANGES TO ORDERS

Blå Station is unable to accept changes to orders that are made less than 4 weeks before the specified delivery date. Customers returning any wrongly ordered items will be debited 40% of the value of the goods returned.

UPHOLSTERY

In this price list all upholstered furniture contains either CMHR foam or interliner accordingly to British standard. This is already included in the prices. Blå Station's standard fabrics are shown in our LIST OF FABRICS. In the absence of written instructions for buyer supplied fabric, Blå Station reserves the right to choose the direction of the pattern and the right side of the fabric. If an item of furniture is to be covered with a fabric other than those in Blå Station's standard collection, the fabric must first be approved by Blå Station.

OTHER INFORMATION

The price list is for our standard product range. Other designs may be offered for contract or project sales. Reference are made to colour charts in a number of places, some of which can be found at the beginning of the priceless and at www.blastation.se

We use vegetable tanned leather from Tärnsjö Tannery in certain products. *'The tiny scratches and scars on leather are the hallmarks of its natural origin and proof that the animal has enjoyed a fair measure of freedom in its lifetime.'*

– Börge Lindau

When selecting vinyl or artificial leather as the covering, small creases may appear along the seams. This applies to products with round shapes.

When purchasing products with stained or lacquered colours with set-up costs, only one set-up cost is charged per colour.

RESERVATIONS

We reserve the right to price, design and construction changes and amendments to payment terms.

MODULAR SOFA | BENCH | EASY CHAIR | FOOTSTOOL. Frame of wood. Moulded polyurethane foam with fabric or leather cover. Plastic feet. Built-in connection fitting. When choosing different fabrics for the seat and back, the price of the higher fabric class applies. BOB has 7 basic modules combined into 12 building elements. CMHR foam included in price.

BOB can be put together in endless combinations; straight, curved and with seats on both sides of the backrest. The above shows just a couple of examples. Use CAD files or our BOB Planner available on our website to create your desired variant and attach the illustration from the BOB planner in the order. Follow the link to BOB planner here.

EASY CHAIR | SOFA WITH REVERSIBLE CUSHIONS. The sofa can be made in any length in increments of 27 cm. Black, matte finish steel frame. The seat and back cushions are padded with a mixture of down and feathers around a polyester core. Cushion padding is identical on both sides and reversible. Therefore choose two shades from the same fabric category to enjoy more visual combinations. Artificial leather, microfibre and vinyl may only be used on one side of a cushion; choose textile for the other. Side cushions are optional. Interliner included.
