

**SCREEN WALLS AND TABLES TO BUILD ROOMS WITHIN ROOMS.** BOB Biz Screen Walls are available in two different widths, Double and Single, we recommend that they be used together with BOB sections with a high back in direct connection. Wooden frame. Molded polyurethane upholstered in fabric or leather. Plastic feet. Built-in connection fitting. Customizable wooden tables.

BOB Biz Screen Wall Double is assembled with parallel rows of BOB modules facing each other, we recommend BOB with a high back (Back+Seat). BOB sections can be mounted on either side of the BOB Biz Screen Wall if desired. Add one or more BOB Biz Screen Wall Simple as an ending for a closed and more private configuration. Add custom-sized tables to the BOB Biz Screen Wall Double as a natural focal point or use freestanding tables. Recommended maximum number of BOB modules for BOB Biz is 10 per side, which gives a room with a length of 260 centimeters plus wall thickness of 5cm/wall.
