

O801 250 kg

O801 2-Seater 500 kg

O801 5-Seater 1250 kg

O801 9-Seater 2250 kg

EASY-CHAIR/SOFA. Seating system in concrete. Galvanized threaded bar. For outdoor and indoor use. BOB Betong is delivered with a surface-impregnation that protects against normal soiling to provide a durable and maintenance-free surface.

BOB Betong can be provided with a graffiti protection treatment at an additional cost.

BOB Betong is manufactured as finished sections consisting of a seat with a backrest that weighs 250kg. Up to 9 BOB Betong sections can be delivered interconnected. BOB Betong can also be anchored to the ground or concrete foundations to act as a barrier and crash protection.
